I understand that Lucky Dog Luxury Daycare & Boarding has relied upon my representation that my dog is in good health and has not injured or shown aggression or threatening behavior to any person or dog in admitting my dog for services at their facility. I also state that my dog is up to date on their Rabies & DHPP vaccines according to my veterinarians recommendations (every 1-3 years) and has also had a K9 Influenza and Leptospirosis vaccine, both, within the last year. I also state that my dog has had a kennel cough vaccine (Bordetella) and a negative stool check, both, with in the last 6 months.

I further understand that there are risks and benefits associated with group socialization of dogs. I agree that the benefits outweigh the risks and that I accept the risk. I desire a socialized environment for my dog while attending services provided by Lucky Dog. I understand that while the socialization and play is closely and carefully monitored by staff to prevent injury, it is still possible that during the course of normal play my dog may receive minor nicks and scratches from roughhousing with other dogs.

I understand that in the event of a medical emergency that Lucky Dog, at its sole discretion, may have my dog treated by the closest available licensed veterinarian. I acknowledge this may not include my regular veterinarian. I further agree that I am financially responsible for any medical treatment my pet(s) receives as a result of a medical emergency while attending services provided by Lucky Dog.

I further understand that their owners, staff, partners and volunteers, will not be liable financially or otherwise, for injuries to my dog, me or any property of mine while my dog is participating in services provided by Lucky Dog. I hereby release Lucky Dog of liability of any kind arising from my dogs participation in any and all services provided by them.

I understand by allowing my dog to participate in services offered by Lucky Dog that I am allowing them to take photographs or use images of my pet in print form or otherwise for publication and/or promotion.

If my dog is not picked up on time or by a date specified at drop off I hereby authorize Lucky Dog to take whatever action is deemed necessary for the continuing care of my dog. I will pay Lucky Dog the additional cost of any such continuing care upon discharge. I understand that if I do not pick up my pet, that Lucky Dog will proceed according to the guidelines provided by The State Abandoned Animal Statute. I also acknowledge that I will be fully responsible for all attorneys' fees and associated costs if I abandon my pet at Lucky Dog.
